

Our Warranty Policy

Green Arbor Landscape Ltd. has the experience to build beauty that lasts, and the confidence to stand behind our work and your investment.

Our warranty policy gives our clients peace of mind knowing that the landscapes we design and install for them will have plant material that thrive, lawns that are lush and healthy, sprinkler systems that are consistently reliable, and patios and hardscapes that will stand the test of time.

New Lawn Guarantee

- All new lawns installed by Green Arbor Landscape Ltd. are guaranteed to grow when they receive proper care.
- We will provide one return visit to repair any areas washed out by rain or runoff.

Hardscape Guarantee

- All hardscape projects installed by Green Arbor Landscape Ltd., including paver stone walkways and patios, and retaining wall constructed of unit concrete blocks or natural stone, carry a two-year workmanship guarantee.

Plant Guarantee

- All plant material installed by Green Arbor Landscape Ltd. is warranted for one year from date of purchase.
- Warranty is limited to one replacement per plant.
- Damage caused by animals, people, equipment or sheer neglect will not be warranted.

Irrigation Sprinkler Guarantee

- All sprinkler systems installed by Green Arbor Landscape Ltd. carry an unconditional two year guarantee against all defects in material and workmanship.
- Toro controllers carry a two-year warranty against defects (and lightening strike damage), and TMC 212 Series heads and valves are warranted against defects for a full five years.
